

Dear Valued Customer,

Thank you for inquiring about ***SmartWORKS Customized Grant Research***.

Let our skilled consultants investigate and identify grant programs that ***best match*** your organization's goals and priorities. SmartWORKS Customized Grant Research services include:

- Analysis of your current funding status
- Identification of your organization's strengths/challenges related to garnering funding
- Prioritization of program and service areas most suitable for garnering funding
- Investigation and identification of prospective funders and grant programs consistent with your organization's priorities and goals
- Development of a 12 to 18 month grantseeking timeline

*Let us help you become a strategic grantseeker!*

Sincerely,

*Phyllis Lewis*
